What Is Learning Upgrade?

It is an easy, fun learning app that helps improve reading and math skills. It uses songs, videos, games and rewards. Ideal for adult learners, English-language learners, and students from grade school through high school. The app is available on both Android and iOS devices.*

How to Start

Download the **FREE** app on your phone or tablet. Select **GET STARTED** and the skill you want to build first—English or Math. Pick a starting level or take a placement test. Before you begin you'll have the chance to create your account. **USE THE SPECIAL CLASS CODE 3355738.**

To enter our weekly raffle for an Android tablet (April 22 through August 31), send a screenshot that shows you have completed 3 lessons. Email to outreach@wlsmail.org. We'll notify the winner each Saturday.

*The app will be active for Android users through 9/1/2020 and Apple users through 8/31/19. If you want to continue with the service contact WLS for a free renewal.
